

# Egypt pyramid SHOCK: How 'energy source' from Giza Pyramid was used for INCREDIBLE

ANCIENT Egyptians believed the Great Pyramid of Giza transferred energy like a power plant, while the other two were originally intended to be giant machines, capable of producing and transmitting electromagnetic fr

For thousands of years, the pyramids have stood as hallmarks of ingenuity, royalty, and engineering. Their very design and built by a people with superior intelligence and access to advanced tools and skills. The internal construction of the Great Pyramid of Giza is a power plant and no mummy has ever been found inside.
